ONWARD TO OPPORTUNITY (O2O) empowers qualified transitioning service members and their spouses with the specific skills, credentials and employment support necessary to start civilian careers in growing industries. O2O connects hiring employers to veteran talent that is prepared to meet current, real time labor needs.

HOW IT WORKS

PROGRAM ASSESSMENT
All individuals interested in O2O complete a personal assessment to identify their existing military and non-military experience, civilian career interests, & post-military goals.

TRAINING AND CERTIFICATION
O2O combines classroom and web-based training to accommodate all types of learners. O2O currently offers three career tracks in Customer Excellence, Information Technology, and Business Management (see reverse for course descriptions).

CAREER SEARCH & PLACEMENT
O2O empowers service members and their families with the knowledge, skills and coaching needed to excel in their chosen career path while preparing them for specific job opportunities with partner employers.

OVER 1 MILLION
Veterans are expected to separate from the military in the next five years

FINDING WORK
And adjusting to civilian culture are cited as the top transition challenges for veterans

Onward to Opportunity (O2O) is a FREE program offering industry-specific training, credentials and job placement services on military installations across the country. O2O partners with private sector companies committed to training and hiring military talent and their spouses earlier in the transition process.
